

American Association for Men in Nursing

Group Membership Packages

These packages are not limited to individuals who are part of a recognized chapter. Additional memberships can be purchased at standard rate and be recognized as chapter members.

If a chapter has more than the minimum number of members required for one package type but not enough for the next level, contact the AAMN office for a pro-rated price quote.

Upon payment, chapters would be subject to submit a roster of members on an annual basis within three months of initial payment and one month after each additional annual payment (chapter does not have to utilize all possible memberships for roster submission).

For more information or to take advantage of the Group Membership Package, contact Scott Kelnhofer, AAMN executive director, at info@aamn.org, or by phone at 929-515-4945.
